Dear Delawareans,

I am proud to personally endorse Dr. Mike Katz for the United States Senate.

I have known and worked alongside Mike for well over a decade. I know his character, his commitment, and where he stands when it comes to protecting and defending our constitutional freedoms and the rights of Delaware's law-abiding gun owners, hunters, sportsmen and sportswomen.

Mike is a member and longtime supporter of the Delaware State Sportsmen's Association. He has stood with us for years, not because he was running for office, but because he believes in what we have fought to protect.

Dr. Mike Katz understands that the right to keep and bear arms is not a privilege granted by government. It is a fundamental constitutional right guaranteed by the Second Amendment to the United States Constitution and Article I, Section 20 of the Delaware Constitution.

Those rights are under attack.

We have watched politicians in Dover restrict commonly owned firearms, ban standard-capacity magazines, impose permit-to-purchase requirements, and place more burdens on law-abiding citizens while failing to hold violent criminals accountable. Mike understands what is at stake, and I trust him to stand and fight when our rights are threatened.

The stakes have never been higher. We are just one seat away from a double supermajority in the Delaware General Assembly. We cannot afford to sit back and allow our constitutional freedoms to be stripped away.

Protecting our Second Amendment rights is a never-ending fight. We must stay engaged, we must show up, and we must elect men and women who will stand with us when it matters.

That starts with the Republican primary.

We need a strong candidate at the top of the ticket who can bring voters to the polls across Delaware, defeat Chris Coons, and help elect pro-Second Amendment candidates up and down the ballot.

Dr. Mike Katz is that candidate. I have spent years fighting to protect the rights of Delaware's law-abiding gun owners. I know who has stood with us.

Mike has! And I know who I trust to stand with us in the United States Senate.

Dr. Mike Katz has my complete trust, my highest recommendation, and my full support.

On September 15th, I urge EVERY DSSA member and EVERY freedom-loving Delawarean to stand with me and Vote for Dr. Mike Katz for United States Senate.

Sincerely,

Jeff Hague
President, Delaware State Sportsmen's Association (DSSA)
