

FROM THE DESK OF DAVE WILSON

DELAWARE STATE SENATOR DISTRICT 18

Dear Friends and Neighbors,

For many years, the people of the 18th Senate District have placed their trust in me to represent our communities with honesty, common sense, and conservative values. That trust has always meant a great deal to me, and I have never taken it for granted. Today, I am asking for your trust once again...

I am proud to ENDORSE Dr. Mike Katz, the Delaware Republican Party's endorsed candidate for the United States Senate.

Over the past several years, I have had the opportunity to get to know Dr. Katz personally. I have seen firsthand his integrity, his thoughtful approach to solving problems, and his genuine commitment to serving the people of Delaware. I trust his judgment, I respect his character, and I believe he is the right person to represent our state in the United States Senate.

As a physician, business executive, and former Delaware State Senator, Dr. Katz has spent a lifetime serving others. He understands the challenges facing Delaware families, small businesses, farmers, and seniors, and he has the experience to deliver practical, common-sense solutions.

Representing communities across southern Kent County and northern Sussex County, I know what matters most to the people I serve. We want safe neighborhoods, a strong economy, affordable energy, support for agriculture and small businesses, responsible government, and leaders who keep their word. I am confident Dr. Katz shares those priorities and will be a strong advocate for Kent County, Sussex County, and every community across Delaware.

I also believe Dr. Katz is the Republican who gives us our best opportunity to defeat Chris Coons this November. He has the ability to unite Republicans while earning the confidence of Independents and common-sense Democrats who are looking for experienced leadership and practical solutions.

That broad coalition is exactly what Republicans need to win statewide. This election is about much more than one office. A strong Republican ticket begins at the top. Electing Dr. Mike Katz will strengthen Republican candidates across Delaware, increase Republican turnout, help us protect and expand conservative representation in Dover, and restore greater balance and accountability in our state government.

The people of Kent and Sussex Counties have always understood that we accomplish more when we stand together. Now is the time for Republicans across Delaware to unite behind our endorsed Republican ticket, stay focused on the future, and work together to move our state in the right direction.

I ask every Republican across Delaware to join me in voting for Dr. Mike Katz in the Republican Primary on September 15 and again in the General Election on November 3.

Dr. Mike Katz has earned my confidence, my vote, and my endorsement. I hope he earns yours as well.

Together, we can elect a principled leader who will fight for Delaware families, strengthen our Republican team, and represent our state with integrity, common sense, and conservative values in Washington.

Sincerely,

Dave Wilson
State Senator, 18th District
